

# FAVOURITE SON (DJ)

Are you after something funky and fresh on your special day? Do you want more out of your DJ than the odd guy your cousin Steve got for his wedding? If that's the case, make your cousin Steve jealous, and invite me to do the DJ honours. I'm Matt, I go by the 'artist' name Favourite Son. When I'm not writing music, recording music or performing music, I'm spinning music at parties, weddings and venues for groovy folks like you. Whether it's a classy poolside cocktail party, wedding, sunrise chill-out set on the beach, or a raucous house party set, I've DJ'd for well over 10 years, from the rooftop clubs of the Gold Coast to the fancy private soiree's of Byron Bay's glitterati, and beyond. I have a huge library of tunes from the well-known to the mo' obscure - from chill to house to hiphop to disco and back again. I like to craft a set to suit the atmosphere of the venue and the clientele, and I also like to bring percussion to add that live element. If stock-standard apprentice DJ is what you require for your party, I'm busy that night. BUT if you want loads of funky, deep, fun music that your guests will boogie down to, I'll check my diary....

# Sunsets

The live music meets DJ experience.

Bringing together world class musicians Chloe West (vocals), Lockie Dwyer (saxophone) and Favourite Son (DJ/percussion), 'Sunsets' is a unique, classy, and downright groovy musical experience for those wanting a special musical touch to their event.

Close your eyes, imagine you are by the pool in one of those fancy beach clubs in Ibiza. Or Majorca. Or Bali, or Byron Bay. The warmth of the sun, the ocean breeze, the views and the uplifting music all melt together to make you feel wholly loved up.

Playing music that would be right at home in the beachside clubs of Ibiza or Bali, the Sunsets experience conjures the feeling of a tropical sunset on the beach. Sunsoaked dance and downtempo beats meld with lush keyboards, warm melodies, percussion, and saxophone, in a show that will take you on a journey from the coast to the club.
