

Favourite Son Bio

Imagine you are lounging by the pool in a fancy beach club in Ibiza. The warmth of the sun, the ocean breeze, the views and the music all melt together to inspire feelings of blissful abandon. This is where the music of Favourite Son will take you.

With a sound that conjures up the feeling inspired by a lush tropical sunset and a warm summer breeze, Favourite Son creates uplifting tropical house music. His chilled downtempo beats meld with dreamy synths, warm melodies, live percussion, ukulele, vocals and saxophone, in a show that will take you on a journey from the coast to the club.

With a music career spanning over 20 years that has taken him to festival stages all over the world, accomplished multi-instrumentalist, DJ, performer and producer Matt Aitchison — aka Favourite Son — calls Northern NSW home.

Since his days with globe-trotting world music band OKA and before that Rivertribe, Favourite Son has established a sound that is unmistakably his own. Whether in solo, DJ or full-band mode, Favourite Son's music always has that easy and breezy feel that will have you riding waves of sonic bliss.
